### Certificate

It is hereby certified that M/s. S R, Pune have sprayed Lemmox (Stabilized Chlorine Dioxide) Foul Odour Removal Chemical on Mixed Garbage, Hotel Waste and Garbage Vehicles (12-14 Vehicles) at Moshi Garbage Depot in Pimpri Chinchwad Municipal Corporation limits, from date 25 July 2016 to 01 August 2016 on trial basis. It had been observed that consequent to chemical spraying, the amount of stench from the garbage as well as the menace of flies had reduced.

It was observed that the result of spraying of the Foul Odour Removal Chemical - Lemmox (Stabilized Chlorine Dioxide) was satisfactory.
